* All boxers must be clean shaven and must have all jewelry removed before stepping on the scales;
* You may view the rules that we will be abiding by at usaboxing.org

COACHES: If you are going to pull your boxer and/or team out early, please DO NOT submit your entry into this tournament. We WILL NOT pre-match any bouts, so bring all of your boxers to the tournament, and we will match them the day of the event.

BOOKS: Coaches need to be registered and have an up-to-date RED BOOK with their picture and their latest clinic clearly marked. We are strongly enforcing the "NO BOOK, NO BOX" rule; therefore, we will not accept registering the days of the shows. Please make sure that your boxer was registered by 3/03/17 and has their passbooks before you email in entry forms.
Your boxer will compete according to their current age.

DO NOT enter boxers if you are not registered with USA Boxing. You can go online to register at usaboxing.org. Remember, if they do not have a passbook, they are still not considered *legally* registered.

You need to check your boxer's book and if they have 10 bouts (wins Or losses), they must entered as OPEN boxers (unopposed bouts don't count). We will need to know if your boxer is Novice or Open on the Entry form. We will also need to know the boxer's birthdate.

****Additional information****

If your boxer has braces, then please make sure the "Braces Release Form" is stapled to the back of their passbooks. Failure to do so will result in an automatic Disqualification.

Thank you,
