We are strongly enforcing the "No book, no box" rule so we will not accept registering the day of the show. **Please make sure your boxer was registered by 08/14/18 and has their passbooks before you call them in.**

Do NOT call boxers in if you are not registered with USA boxing. You can register at usaboxing.org. If they do not have a passbook, they are not considered legally registered.

If your boxer has 10 bouts in their book (win or lose), they must be Open boxers (unopposed bouts don't count). We need to know if boxer is novice/open upon call-in.

If you call them in at the wrong division, they will be DQ!

Awards: 1st Place Winners get belts, runner-ups get trophies.

Rules: You can see the list of rules we will abide by at usaboxing.org.

All boxers must be present and weigh-in as a team.

Coaches: If you are going to pull your boxer and/or team out, please do **NOT** call them in. We will **NOT** pre-match any bouts. Bring all your boxers and we'll match them the day of the event.

****If your boxer has braces, then please make sure the "Braces Release Form" is stapled to the back of their passbooks. Boxer's Physicals must also be stapled to back of the book. Failure to do so will result in an automatic disqualification.**

Coaches: I will not accept regulation books on your phone and I will NOT make books the day of the show so you need to have your book with you!
